AUTUMN TERM · OPEN ENROLMENT

Learn to build with hand tools

Small evening and weekend classes in joinery, green woodworking and furniture repair. All timber and tools included.

Six seats

Maximum per bench so every maker gets steady guidance.

Local timber

Air-dried ash, oak and sycamore milled within thirty miles.

Open bench

Graduates may book studio hours every Thursday evening.

A calm workshop for beginners

Our ground-floor studio on Mill Lane is set up for people who have never held a tenon saw or block plane before. You leave every course with a finished piece for your home.

Sessions are led by cabinetmaker **Ruth Gallagher** and furniture restorer **Gareth Pritchard**. Tea, aprons and safety glasses are waiting at the door.

- No prior workshop experience required
- Two bursary places reserved on every course
- Step-free entrance and adjustable workbenches
